

MEDICAL SPANISH CLASSES

GROUP REGISTRATION PROGRAM

for Open Access Classes

Open Access Classes

In collaboration with MGH's Institute of Healthcare Professions, the BMSC offers online immersive medical Spanish classes for all medical specializations, from beginner to advanced proficiency levels. This program is open to all healthcare professionals.

Partner organizations can purchase bulk registrations based on the size of their cohort and save significantly on the cost of classes.

What the Open Access Classes offer your team of healthcare professionals:

- Intensive medical Spanish courses offered throughout the year
- Exceptional instruction with a student to instructor ratio of 5:1
- 8 levels of instruction from novice to advanced Spanish speakers

Visit our website to learn more about classes and how to partner with the BMSC.
